

In response to the Covid Crisis and for all our valued customers we have taken our boutique online!!

You asked and we listened, and we have now made available all of our unique, one of a kind, and locally sourced products online. If you can't come to us ... we will come to you right in your living room! We'll also arrange "no-contact" pick up from our store location for locals!! Free for orders over \$100.

Furthermore, as an additional thank you for your continued support, we will give you a bottle of hand sanitizer (4 oz) free of charge with any purchase of \$75 or more! We also have bottles of hand sanitizers and stylish scarves available for purchase through this time of crisis.

Thank you for your continued support as "When you support a small business you're supporting a dream"
